

## STABICRAFT 2100 Supercab

Designed with the serious fisherman and explorer in mind, the 2100 Supercab comes with class leading fuel capacity, extra large live bait tank, full toughened glass, capstan winch and comfortable, full size vee berth and helm seating. Light weight and clever hull design help the hull plane easier leading to better fuel efficiency; coupled with the standard 200 litre fuel tank, the 2100 has true blue water capability. Our Game Chaser Transom and Arrow Pontoons improve handling and sea keeping characteristics while maintaining the safety in positive buoyancy Stabicraft is renowned for.
