

2015 PIONEER 500

FUN HAS NO RESTRICTIONS.

At only 50 inches wide, the new Honda Pioneer™ 500 is compact, so it can go where most side-by-sides cannot. But in terms of engineering it's a giant, with features like independent rear suspension, four-wheel drive, and paddle shifting—and that's just the start. On the Pioneer 500 you can get where you need to go and back again. Plus you'll have fun doing it.

2015 PIONEER 500

Honda Phantom Camo™

Honda's Pioneer 500 is a brilliant concept: Like a full-sized side-by-side, it lets you take a passenger along, to share the adventure or lend a hand on tough jobs. But it's also compact so it fits on tight trails, is fun to drive, and fits comfortably into a full-size truck bed.

FEATURES

ELECTRIC-SHIFT SYSTEM FEATURING PADDLE SHIFTERS

Engineered for precise, smooth shifts. Manually upshift and downshift without ever having to take your hands off the wheel.

ALL-NEW REAR CARRIER DESIGN

With multiple hook points, securing cargo is easier than ever. And the rack's 450-pound rating gives you plenty of carrying capacity, too.

Honda ACCESSORIES

One of the best parts about Honda's new Pioneer 500 is that we're offering a complete line of Honda Accessories right from the start. With nearly 50 Honda accessories to choose from, we have everything you need (and want). Windscreens, Tops, Doors, Winch, Plow, Lights, Cargo bags, and lots more. Check out the full list at

ENVIRONMENTAL COMMITMENT At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

BE A RESPONSIBLE RIDER Remember, Multipurpose Utility Vehicles (Side-by-Sides) can be hazardous to operate. Always wear your seat belt, a helmet, eye protection, and clothing appropriate to the driving situation. Keep doors closed. Never carry a passenger on the rear rack, stay off public roads, obey cargo limits and guidelines, and never drink and drive. Be sure to follow the Owner's Manual directions when carrying cargo or towing a trailer. Avoid excessive speeds, and never drive faster than conditions permit. Pioneer 500 is recommended for drivers 16 years of age and older, and tall enough to wear the seat belt properly and reach all the controls. The passenger should also be tall enough for the seat belt to fit properly and brace themselves, if needed, by placing both feet firmly on the floor while firmly grasping the hand hold. Whenever you drive off-road, make sure you follow all the "TREAD LIGHTLY" guidelines, and always stay on established trails in approved areas. Keep your off-road area clean, use common sense, and respect the rights of others. We strongly recommend that you use only Honda approved accessories that have been specifically designed and tested for your vehicle and do not remove any original equipment or modify your Honda in any way that would change its design or operation. Operating your Side-by-Side vehicle with a modified engine, emissions control system, or noise-control system may be illegal. Always obtain written permission before driving on private lands, and obey all the laws and regulations governing your off-road areas.

Specifications, programs and availability subject to change without notice. See your Honda Dealer for details on all programs.
